

**21TH CENTURY COMMUNITY LEARNING GRANT
3651 HARTFORD STREET
PORTSMOUTH, VIRGINIA 23707**

Dear Parents,

Thank you for your interest in 21st Century Community Learning Grant. This is the third year, and we are excited about all the wonderful activities planned for our students.

I wanted to make you aware of the absentee policy for the 21st Century Program. Because there are so many students on the waiting list, we must strictly adhere to the following:

1. Students cannot miss more than five days per semester. Exceptions would be a doctor's note or illness.
2. Excessive, disruptive behavior or behaviors that put others in danger, will not be tolerated.

Thank you for your cooperation and student participation! We look forward to an outstanding, successful school year!!

Sincerely,

Yvonne Wagner/Project Administrator
